

# Vitamin D3 1 MIU/g

Nutraceuticals

## Product Identification

Product Code	HND301A
Chemical Name	(5Z, 7E)-3S-9, 10-secocholesta-5, 7, 10(19)-trien-3-ol; (5Z,7E)-3S-9,10-secocholesta-5,7,10(19)-trien-3β-ol
Chemical Formula	

Synonyms	Vitamin D3, Calcitriol, Cholecalciferol
CAS Number	67-97-0
EINECS Number	200-673-2
Empirical Formula	C <sub>27</sub> H <sub>44</sub> O
Molecular Mass	384.65 g/mol

## Product Description

Vitamin D3 1 MIU/G is a clear, colorless to yellow color liquid. It contains dissolved Vitamin D3 (Cholecalciferol) in MCT oil. DL-alpha-tocopherol is added as antioxidant.

Appearance	Clear, colorless to yellow color liquid
Identity for Vitamin D3	Positive
Vitamin D3 Assay	NLT 1'000'000 IU/g (NMT 1'100'000 IU/g for Europe only)
Microbiological Purity	Corresponds

## Stability and Storage

Vitamin D3 1 MIU/G is sensitive to air, heat, light and humidity. The product may be stored for 24 months from the date of manufacture in the unopened original container and at room temperature. The retest date is printed on the label. Keep container tightly closed. Use contents quickly when opened

## Uses

For soft gelatin capsules. For fortification of fat-based foods, edible oils, fats, milk, margarine and dairy products.

## Packaging

1 x 10 kg Aluminum Can in Box

# Vitamin D3 1 MIU/g

## Product Data Sheet

Kosher; Halal; Non GMO; does not contain ingredients of known allergenic potential; Vitamin D3 contained in this product meets all requirements of USP and Ph. Eur when tested according to this compendium.

### Country of Origin

Italy

### Safety

This product is safe for the intended use. Avoid direct contact or ingestion through applicable protective measures and personal hygiene. For complete safety information and necessary precaution, please consult the respective DIVI'S Laboratories Safety Data Sheet.

### About Divi's Laboratories

As a multinational company, Divi's Laboratories, has been serving the global pharmaceutical, nutraceutical and food markets for over 25 years. Our manufacturing facilities, located in India, are certified under ISO 9001, ISO 14001, OHASAS 18001 and FSSC 22000. The plants operate under HACCP guidelines with additional FDA inspection. As part of Divi's dedication to quality and innovation, a team of over 200 scientists make up our departments of Quality, Research & Development. This team provides support and collaboration with external partners, suppliers and customers.

### The Divi's Difference

Divi's Nutraceuticals has a fully validated and backward integrated manufacturing process, from molecule to finished form. This approach means flexibility, reliability and the best total value for our customers.
