

## SPECIFICATIONS DATA SHEET

Code N°: <b>1153132</b>	Product name: : <b>PEPTIDE VINCI 02 IS</b>
-------------------------	--

<b>Definition:</b>	Biomimetic peptide of fibronectin obtained by synthesis and presented in hydroglycolic solution
<b>Application:</b>	Anti aging cosmetic care products
<b>INCI (adopted name):</b>	Water (and) Butylene Glycol (and) Hexapeptide-3
<b>Manufacturer:</b>	ISP VINCIENCE - B.P. 212 - 06904 Sophia Antipolis cedex - FRANCE

Item	Physico-Chemical Characteristics	Specifications	Method
1	Appearance	Limpid solution	I CQ 001
2	Odor	Characteristic	I CQ 002
3	Color	Colorless	I CQ 003
4	pH, (20°C)	5.0 - 6.5	I CQ 005
5	Density, g/cm <sup>3</sup> (20°C)	1.00 - 1.02	I CQ 006
6	Refractive index (20°C)	1.370 - 1.390	I CQ 007
7	Pure peptide content, mg/kg	90 - 110	I CQ 083

Item	Microbiological Analysis	Specifications	Method
1	Total count, CFU/ml	< 100	I CQ 087
2	Pathogens	Absence	I CQ 087

<b>Preservative information:</b>	Without
<b>Storage information:</b>	Store at room temperature (15 to 25°C), away from light. Use the whole package after opening. For sampling, open under sterile conditions.
<b>Shelf life:</b>	30 months, under normal storage conditions, in original unopened containers
