

ORANGE CLEANER & DEGREASER

A powerful all-purpose cleaner and degreaser with a naturally-derived solvent and pleasant citrus scent

PRODUCT OVERVIEW

You'll be glad you chose our insanely powerful (yet super gentle) Orange Cleaner & Degreaser for all your environmentally friendly cleaning needs. This professional-grade Orange Cleaner & Degreaser is specially formulated with d-limonene, a natural solvent derived from the peel of oranges, to quickly penetrate and safely break down everything from lubricants and adhesive residue, to dirt and ink, to the toughest grease and food-based soils. Apply diluted solution with a spray bottle, mop, sponge, or other equipment (such as pressure washers, steam cleaners, foaming applicators, etc.), allowing the solution to penetrate soil for a few moments, then scrub and rinse with water.

FEATURES & BENEFITS

- Perfect for tools, engines/motors, metal parts, fiberglass, concrete, stainless steel, grills, stoves, kitchen appliances, printing presses, and nearly any other surface
- Specially formulated with a powerful, natural solvent which deodorizes as it cleans
- Designed to meet the health, safety and performance needs for industrial, institutional and commercial use
- Non-corrosive, biodegradable and phosphate-free
- Proudly made in the USA

PRODUCT SPECS

- Grades Available:
Concentrate or Ready-To-Use (pre-diluted)
- Sizes:
Concentrate – cs 4x1gal, 5gal, 55gal
RTU – cs 12x32oz*, cs 4x1gal, 5gal, 55gal
**Bottles come capped, with 2 spray triggers included*
- Color: Orange
- Scent: Citrus
- pH: 8.5
- Recommended Dilution Ratios (by volume):
1:32 – for light/average soil
1:20 – for heavy soil
1:10 – for heaviest soils
