

LAUNDRY DETERGENT

A heavy-duty yet gentle, neutral pH liquid laundry detergent that is tough on dirt and stains, while keeping colors bright and whites white

PRODUCT OVERVIEW

Don't worry about stains - with Gett™ Laundry Detergent, stains should worry about you. This professional-grade Laundry Detergent is specially formulated with enzymes to remove stains that even bleach can't. It has been optimized to work well even in cold water conditions, and leaves wash smelling fresh.

FEATURES & BENEFITS

- Perfect for all towels, linens and clothes
- Specially formulated with enzymes for the most difficult-to-remove stains
- Highly concentrated and economical: only 2-4 oz is needed for most laundry loads, which means a 5gal bucket should last about 250 loads of laundry
- Designed to meet the health, safety and performance needs for industrial, institutional and commercial use
- Biodegradable and phosphate-free
- Proudly made in the USA
