

ALL-PURPOSE CLEANER WITH BLEACH

A heavy-duty multi-surface cleaner with bleach that removes dirt, grime and grease while removing mold and mildew scents/stains

PRODUCT OVERVIEW

Our All Purpose Cleaner with Bleach is built tough and feared equally among germs and dirt lurking in bathrooms, guest rooms, offices, kitchens, and other common areas. This professional-grade cleaner is formulated to quickly remove tough food stains and grease in the kitchen, plus soap scum, mold and mildew stains and odors in the restroom. Apply with a spray bottle, sponge, mop or other equipment, then wait a few minutes before wiping/scrubbing with a sponge, cloth or brush to make quick work of removing built-up dirt (rinse with water if necessary).

FEATURES & BENEFITS

- For use on most hard surfaces, including countertops, stovetops, sinks, appliances, tubs, showers, grout, tile floors and toilets
- Specially formulated to be mild enough for use throughout kitchens and bathrooms, while strong enough for use on outdoor non-porous surfaces
- Designed to meet the health, safety and performance needs for industrial, institutional and commercial use
- Biodegradable and phosphate-free
- Proudly made in the USA
